

ADD A GOOGLE CLASSROOM SHORTCUT TO YOUR CLEVER TEACHER DASHBOARD

Adding a Custom External Link

When accessing your Portal:

1. Click "Customize Portal"
2. Click 'Add Link' next to the category under which you want the new link to appear.
3. Select the last option in the menu that states "Create a custom link".
4. Select an icon or upload a custom icon (Note: Optimal icon size should be 200x200)
5. Fill out the appropriate fields.
6. Select which user types, grades, and schools you would like to add the custom link for.
7. Click 'Add Link'.
8. Hit 'Publish Changes' on the top right after you are finished.

Modify Link
